Nursery Newsletter

November 9 - 13, 2020

This week we learned about Veterans Day, and what a veteran is. We began talking about Thanksgiving and how it started, what we are thankful for, and our favorite Thanksgiving food.

French

- We're going over everything we've learned so far and we keep improving our memory and pronunciation

ELA

- Continued to work with the letter A through tracing and writing, as well as using our soundbox
- We read several books: *The Three Little Pigs, Blueberries for Sal, Armadillo Ray*

Math

- We are perfecting tracing, writing, and recognizing numbers 1-10 using our sand and other fun activities
- We are continuing to practice counting and writing corresponding numbers

Practical Life

- "A"is for apple using a paper plate
- Cutting and glueing a turkey template to create our own turkeys and telling what we're thankful for

Just as a reminder, we really aim for healthy eating habits and would prefer not to have candy in lunches. Also, please remember to pack weather appropriate clothing as we get closer to winter - boots, hats, gloves, a second layer, etc.
