

April 11-29

THE WEATHER IS GETTING WARMER, BUT OUR PLAYGROUND STAYS WINDY. PLEASE REMEMBER TO CONTINUE TO SEND YOUR CHILD TO SCHOOL IN A JACKET. PER PAUL'S EMAIL, WE WILL RETURN TO INDOOR MASKING THIS COMING MONDAY, MAY 1.

Math

- We are working on different combinations of ten in addition and subtraction
- Introducing comparative measurement: coloring the smallest items on the page, the largest items, etc.

ELA

- We have transitioned from letter "O" to letter "J"
- We are starting to explore phonetic sounds integrated in words
- We are using shape cues, size clues, and letter cues to decode words.
- We have been working on sight words
- We did activities that our author, Margaret Wise Brown, would have done in her childhood

French

- We are diligently practicing all of our songs for the Spring Concert!
- We're working on body part vocabulary
- We are learning about animals

Stories

- The Runaway Bunny
- A New Home for Fox
- Goodnight Moon

Songs

- Gentil Coquelicot
- Light a Candle for Peace
-

Games

- Silent counting game
- Gymnastics
- We got all new toys for our playground!

Practical Life

- We planted some different bean seeds and hoped to watch them grow!
- We have worked with more precise pincer grip
- Self-help skills including: zippering, attempts at shoe tying, and self-care including face wiping and washing after meals
- We took out the wooden rocking boat and talked about boat safety and nautical direction terms. The kids learned how to cooperatively make the boat rock in different directions.
- Shella did a demonstration showing us how to make a no-bake strawberry cheesecake. It was delicious!
