

Camp Devereux Bulletin

Dear Parent,

We are so looking forward to another fun filled summer here at Camp Devereux! We just wanted to remind you of a few things:

Your child's current medical record must be on file before attending camp. If you have not yet done so, please send it as soon as possible to Camp Devereux, 44 Smith Street, Marblehead, MA 01945.

No child will be admitted until all forms have been received per order of MA State Camp regulations. For your convenience, all forms are available on our website, devereuxschool.org

You should drop off and pick up your student under the white tent in front of the office building. Please download the BrightWheel app prior to your first day. Drop off is anytime between 8:30-9:00 and pick up is between 3:30-4:00.

Please note that campers should wear their bathing suit to camp each day, regardless of sun or cloud, and sunscreen should be applied each morning before leaving home. Campers should also bring with them each day:

A camp bag with towel, underwear, and sweatshirt. Campers should also bring a second bathing suit. All clothes and towels must be marked with child's name. Please send in sun protection labeled with your child's name, this will stay at camp.

Lunch should be packed in a separate container with an ice pack and also marked with child's name.

If you so choose, a "little spending change" each week for our "Devereux Dales" twice weekly afternoon camp treat/trinket bar. Items range from 5-50 cents.

No toys or swimming aids are permitted and should not be brought to camp.

Thank you so much for choosing Camp Devereux!

Elizabeth Laub
Director, Camp Devereux
