January 19 - 22nd, 2021

We've had another wonderful week practicing kindness, respect, and responsibility in our classroom!

French

- We continued practicing all of our French songs and skills this week, with a focus on food!
- We played Jacques a Dit (Simon says)

ELA

- We continued working with letter C
- To practice fine motor skills, we completed an activity in which the children used their thumb and index fingers to pick up and glue kernels onto a picture of **C**orn

Math

- We continued practicing all our math skills we have learned, including: number and shape recognition, 1 to 1 correspondence and counting, basic addition, and recording data on a chart

Practical Life

- We continued all glueing, cutting, and tracing to practice fine motor skills as well as using other practical life materials that help us with other skills like scooping and pouring

Groups next week: Group A - Mimi & Marina; Group B - Paige & Jojo; Group C - Shella and Jeanne
