

Math

- *Find and describe flat triangles, squares, rectangles, hexagons and circles without naming.
- *Explaining decisions about classifications of shape categories using variants and non-examples.
- *Identify shapes by name as triangles, rectangles, hexagons and circles.

November

ELA

- *Weekend writing
- *Continuing our Foundations book
- *Primary Phonics book
- *Poems:
The Fox

Theme

- *Children of the World
- *Thanksgiving

French

- *Days of the week
- *Read aloud stories
- *Bingo games
- *Memory games
- *Practicing new songs

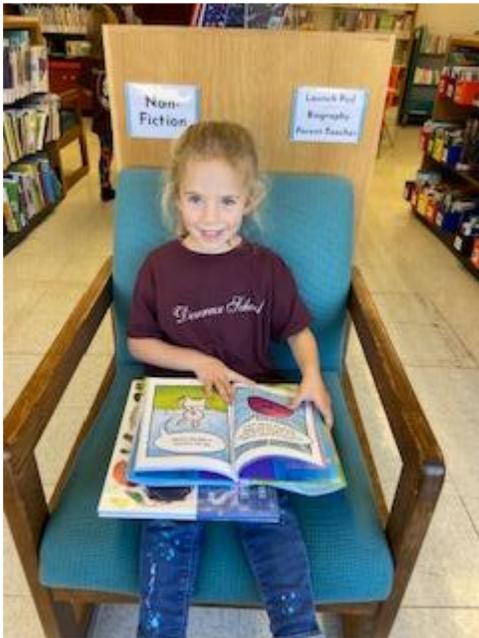

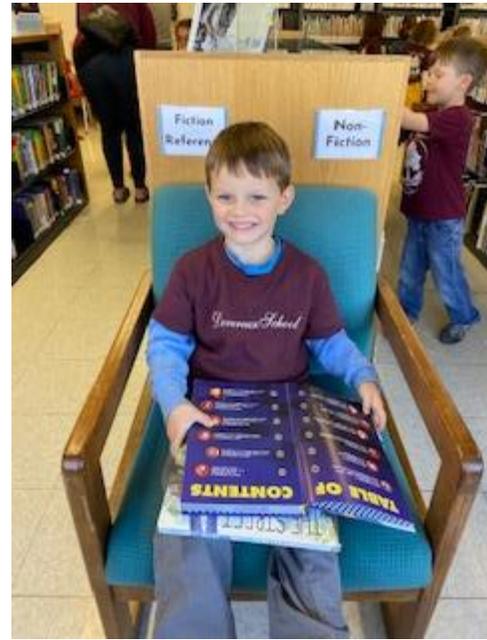

Art

- *Children of the world
- *Thankful Turkeys
- *Neon colored trees and pumpkins
- *Mirror color patterns with primary and secondary colors

Kinder Updates

- *There is NO SCHOOL on November 23rd, 24th and the 25th for Thanksgiving recess.
- *NO SCHOOL for KINDERS on December 12th for Reporting Day.
- *Winter Concert REHEARSAL at Veterans School on December 16th.
- *Winter Concert on December 17th at 1pm.
- *We are still taking donations for our upcoming FIELD TRIP to the Marblehead Food Pantry on December 9th. Thank you to those who have already donated!
- *Winter is just around the corner, we are asking for the children to bring in warm SNOWPANTS, GLOVES, HATS and BOOTS. Thank you!
- *December 10th the Devereux School has an informational gathering, please feel free to tell any families who might be interested!

The children had a wonderful time finding books at the new Marblehead library!

Each child received a library card and a special craft from the library.

After our visit to the new location of the Marblehead Library, the children enjoyed lunch outside in the beautiful fall weather. After lunch, it was right back to books for some quiet afternoon reading. We had such a great day!

Art with Miss Jeanne

Using primary and secondary color tape, the children created a mirrored design. This technique worked on their fine motor skills, memory and visual-spatial awareness.

We love and appreciate our Veterans!
Thank you so much Jackie Deppen for
sharing your military service experience
and knowledge with our Kinders!

The children were
amazed by
Jackie's stories
of flying a
Fighter Jet, her
Courage Coins and
the different
military flag
representations.

For our Kinder art the children created Thankful Turkeys. They are unique to what each Kinder is thankful for this Thanksgiving.

For each Thankful Turkey the children cut out the feathers, body parts, head and face. Then, they painted the body with brown paint. Next, they painted the feathers with color concentrated watercolor paint. After, they used sharpie markers to write what they were thankful for this season on their turkey feathers. Googly eyes for the finishing touch!

Chorus with Miss Emily

The children absolutely love singing with Miss Emily and even more so for the upcoming Winter Concert in December! The new songs are filled with holiday cheer and a heavy dose of cuteness!

Children of the World

For our theme this month we incorporated Children Around the World. The Kinders learned about cultures such as India, Turkey, Jamaica and many more. For each country the Kinders learned the traditional clothes, language, food and even how to say hello and goodbye. The children were so interested in how other children live around the world; we may have some future world travelers!

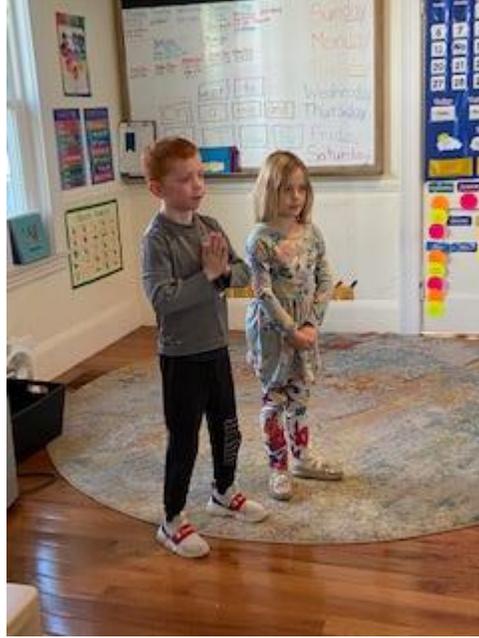

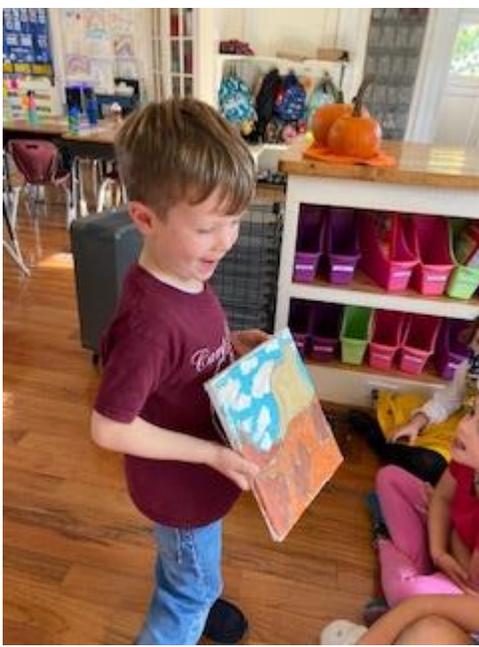

Shares

We've had some wonderful shares brought in this month. A good share is something that has to do with what we are learning about in the classroom and is not a toy. The Kinders have done a great job about being thoughtful of what is appropriate to share.

From morning routines to free play, the children are constantly engaging with each other.

It's always a good day at the Devereux School!

Have a happy
Thanksgiving from
the Devereux school!
