

# November

WE HAD AN AMAZING TIME SEEING EVERYONE AT THE FÊTE AND CONGRATULATE THE CHILDREN ON THEIR OUTSTANDING PERFORMANCE. PLEASE REMEMBER TO PACK WEATHER APPROPRIATE, LABELED CLOTHING FOR YOUR CHILD(REN) . THANKS!

## Math

- We are continuing to work on number recognition
- We have started to learn about patterns
- Jeanne did a presentation on sorting, measuring, and counting
- We are working on our first number book!

## ELA

- We have reviewed letter "B" and compared the letter's shape with our new letter, D
- We introduced three print lines and developed words with letters that "reach to the sky" and "dig down low", think the "d" and "g" in dig

## French

- The children have been working hard on their French alphabet
- They are so enjoying our French immersion space where a small group goes every day
- After the fête, our dear yellow duck puppet has gone missing. If anyone grabbed it by accident, please let us know as he is integral to our lessons

## Art

- We are using the sides of crayons and a push grip to create leaf rubbings with an emphasis on texture

## Songs

- J'habite une maison citrouille
- Ghost of John
- November Poem

## Activities

- The children have been loving Friday gymnastics with Ms. Amanda!

## Practical Life

- Mimi gave a presentation on folding napkins and placemats. The children are encouraged to help set their places during lunch time, as well as cleaning off their desks when finished and helping organize the classroom.
- We have been discussing how to treat all others and nature with gentility and kindness
- We are focusing on working in a group on a singular project
