Marblehead's Premier Swimming Camp Since 1932

Devereux School is pleased to offer Camp Devereux, a summer program for children aged three to nine.

For decades, our young campers have enjoyed the serenity of our large playground surrounded by trees offering natural shade.

Our campus is a wonderful summertime environment ideal for traditional summer activities such as designing a sandcastle, relaxing on a blanket, making gimp and bead jewelry, learning to play chess and other board games, or organizing a basketball, soccer, or baseball game with friends.

This summer, as in years past, participants in our camp will enjoy the use of our fully renovated and heated pool located on the grounds of our private playground and will receive daily swim instruction under the guidance of our two full time certified lifeguards.

Throughout the summer we will also provide activities that express Devereux School's appreciation of the arts, music, nature, and French.
